

Monique Moussot was born and raised in the Bronx, New York. Born to teenage parents struggling with shame, drug addiction, bitterness, betrayal, and rejection. Her stage was set for a lifetime of difficulty and failure. Instead, Monique was transformed by God's powerful grace. Hers

is a joyful story of rescue and deliverance. Small graces, turned into healing and transformation. Monique was freed from crippling illness, anxiety, resentment, and rage after she met a community of Prayer Group women who told her about Jesus. Monique will share her experiences of how living a new life and learning how to say 'yes' to Jesus led to unexpected miracles. Over 30 years in Corporate America, serving in the Catholic Charismatic Renewal, working for the Archdiocese of New York, and now serving Magnificat with the Regional Communication Service Team, Monique knows that nothing is impossible for God, because He makes all things new.
